Troutman Pepper is excited to support the new Visionary Pitch Competition launched by The Enterprise Center. This is an initiative aimed at reshaping the narrative and promoting diversity and inclusion in entrepreneurship. This nationwide competition will offer a grand prize of \$250,000 and a comprehensive array of business services provided within a top-tier incubator. The Visionary Pitch Competition is open to all minority (51% Minority-owned) for-profit businesses in the US with at least 1 year of operations regardless of industry or background. The final live pitch event will take place June 6 at The Enterprise Center.
