Think Zinc! The Energy Dense Alternative Replacing Lithium-Ion With Salient Energy Cofounder Ryan Brown

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#)

Our first episode of 2023 is here, and it's a *heavy* one. This week, Bill Derasmo talks with Forbes 30 Under 30 2022 winner and cofounder of Salient Energy, Ryan Brown. Tune in now to learn how Salient Energy uses zinc to create a safe, low-cost alternative to lithium-ion in the stationary space.
