Troutman Pepper Locke Partner [Ryan O'Neil](#) will be speaking at the Trial Lawyers of Mass Torts (TLMT) Mentoring Workshop on “Practicing in the Age of Zoom and AI,” on September 15, 2026, in Weehawken, NJ.

TLMT is a non-profit founded to create space for meaningful collaboration, learning, and connection among the bench and bar. The TLMT Mentoring Workshop extends that mission to students, associates, and early-career lawyers in mass torts and complex litigation. It is a half-day workshop offering CLE credit.* Attendees learn from plaintiff and defense attorneys at the top of their field, with perspective from the bench, through hands-on skills sessions and a closing networking reception. Come see how the work actually gets done and build the kind of mentoring relationships that are harder to find in an era of remote work.

*CLE credits are pending and will vary by state.
