BETHESDA, Md. – Troutman Pepper served as legal counsel to its client Hull Street Energy (“Hull Street”) in its definitive agreement to acquire 100% of the Bastrop Energy Center and Paris Energy Center from Mesquite Generation Holdings LLC, an affiliate of Atlas Holdings. Hull Street is a private equity firm that specializes in deploying capital into the power sector as it decarbonizes. [Read a company press release about the deal.](#)

Located in Bastrop and Paris, Texas, the two natural gas-fired power generation facilities provide 855 megawatts of critical power generation and reliability services to the Texas grid. This news comes on the heels of Hull Street’s recent [acquisition](#) of natural gas-fired plant Sunrise Power in Fellows, California. Hull Street and its affiliates now own approximately 2,300 megawatts of strategically located gas-fired and dual-fueled generation capacity throughout the United States, which will help enhance the resiliency and reliability of power service for regional customers.
