**BOSTON** – Troutman Pepper client [MVM Partners](#), a health care investment firm focused on commercial stage companies, recently led the close of a \$39 million Series C financing for [CurvaFix](#), a developer of medical devices to repair fractures in curved bones. [Read a press release about the financing.](#)

The \$39 million financing will be used to expand sales and marketing efforts to advance commercialization of the company's innovative pelvic intramedullary implant. CurvaFix's unique device follows the natural curvature of the bone, providing a minimally invasive treatment option for pelvic fracture patients.

Drawing on its substantial experience in life sciences and venture capital, the Troutman Pepper team counseled MVM Partners in the transaction, with participation from Sectoral Asset Management and other existing investors.

The Troutman Pepper team advising MVM Partners in the financing was led by Partners [Chris Miller](#) and [Dan Sieck](#) and included Associates Thomas Walker and Joe Goldman.

Consistently recognized as a top-tier national practice, Troutman Pepper's corporate attorneys regularly handle transactions ranging in size from tens of millions of dollars to multibillion dollars. Core areas of service include private equity, venture capital, mergers and acquisitions (including cross-border transactions and corporate carve-outs), capital markets and corporate finance, corporate governance, and securities laws compliance. The firm also has particular expertise in advising clients on matters involving fund formation and fund management.
