PHILADELPHIA – NeuroLens, a company commercializing innovative solutions to optimize vision, recently completed a \$67 million financing led by Troutman Pepper client MVM Partners, a life sciences investment fund focused on innovative health care companies in medical technology, pharmaceuticals, diagnostics, and digital health. Additional participants included Falcon Vision/KKR, Marshall Wace, and existing investors including Bluestem Capital. [Read a company press release about the financing.](#)

With patented Contoured Prism technology, NeuroLens prescription lenses go beyond visual acuity to provide comfort for adults suffering headaches, neck/shoulder pain, and eyestrain when using digital devices, reading, or doing detail work.
