PHILADELPHIA – Troutman Pepper client Veterinary Practice Partners (VPP), a leading veterinary practice management group and portfolio company of Pamlico Capital, has announced a strategic growth investment with Audax Private Equity. [Read a press release from Audax for more information about the transaction.](#)

VPP is looking to transform the pet health industry by increasing its strategic partnerships with veterinarians. With capital from Audax, VPP will expand its animal hospital footprint and enhance the high-quality client services it provides to companion animals and their families.

Troutman Pepper acted as special counsel to VPP's executive team and rollover shareholders in connection with the equity side of the transaction. The deal was led by Partner John Jones and included partners Solomon Hunter Jr., Alyson Pirio, and [Michael Crumbock](#).

Troutman Pepper's nationally recognized Health Sciences Practice Group represents clients across virtually every subsector of health care and life sciences. The firm's health sciences attorneys regularly assist clients with developing and protecting new lifesaving therapies; structuring and completing transformative business combinations and alliances; complying with ever-shifting government regulations and enforcement actions; and defeating the largest and most complex litigation threats faced by a health care or life science organization.

About Troutman Pepper

Troutman Pepper is a national law firm with more than 1,200 attorneys strategically located in 23 U.S. cities. The firm's litigation, transactional, and regulatory practices advise a diverse client base, from start-ups to multinational enterprises. The firm provides sophisticated legal solutions to clients' most pressing business challenges, with depth across industry sectors, including construction, energy, finance, health sciences, insurance, private equity, real estate, and technology, among others.
