

Troutman Pepper Alumni Newsletter — March 2023

A NOTE FROM STEVE AND TOM

In January, the firm [welcomed 26 newly elected partners](#) — our largest-ever partner class — and six counsel. We also celebrated the [20th anniversary of our nationally recognized State Attorneys General practice](#), and [launched a new client-centered site](#). Additionally, the co-leader of the practice, Ashley Taylor, was [named vice chair of the firm](#) and was recently featured in a prominent story in [The American Lawyer](#).

We look forward to seeing many of you at one of our upcoming alumni receptions and at our upcoming Continuing Legal Education sessions. Mid-year, we are excited to launch our second annual firmwide Week of Service, where attorneys and staff will volunteer time in service to many deserving organizations within our communities.

Be sure to read the full newsletter to learn more about these events, as well as other firm-related news, activities, updates, and more.

Hope to see you soon.

A NOTE FROM CLARE

We are eagerly preparing for the alumni receptions, CLE programs, panel presentations, and other initiatives that we're offering to alums this year — it will be a lot of fun! In the meantime, our team is diligently working to “spring clean” our alumni records, so please pass along any updates to your preferred contact information, as well as any news that you would like to share.

As Steve and Tom noted, we do hope to see many of you soon!
