NEW YORK – Troutman Pepper continues to perform well in the industry league tables, reflecting the total volume and value of private equity, M&A, and venture capital deals closed in 2023. The firm advised in more than 130 deals totaling nearly \$10 billion.

“Despite being one of the slowest years in recent deal activity for the industry, our firm continued to help clients succeed in their mission critical deals,” said Partner [Matt Greenberg](#), who leads the firm’s Corporate practice.

“Many are predicting 2024 to bring a slight rebound in dealmaking, and our team already is seeing that play out.”
