Troutman Pepper has authored the 2022 Product Liability and Safety Law and Practice Guide for Chambers USA. Partners Barry Boise, Sean Fahey, and Christopher Wasson wrote and edited the guide.

Troutman Pepper's nationally ranked Product Liability Practice Group assists clients in complex product liability litigation, government investigations, and consumer class actions. The practice helps clients efficiently manage their exposure with aggressive and effective strategies both in and out of the courtroom. Attorneys are experienced in many areas including asbestos, pharmaceutical and medical devices, industrial equipment and vehicles, and toxic exposure, among others.

Chambers and Partners has ranked attorneys since 1990 and now covers more than 200 jurisdictions. The legal directory publishes Global Practice Guides that are freely accessible online and distributes 10,000 hard copies of each guide to senior in-house counsel worldwide, who use them as a reference when carrying out cross border work.
