[Atlanta](#)

ATLANTA – Troutman Pepper client Blankfactor, a U.S. based IT services consulting firm specialized in Payments, Banking, and Capital Markets, recently announced that it has been acquired by Globant, a digitally native technology services company. [Read a company release about the agreement.](#)

Headquartered in Miami, Blankfactor's offices in the U.S., U.K., Colombia, Romania, and Bulgaria are home to more than 450 technology professionals with talent ranging from COBOL to AI. Blankfactor's specialty is in outcome-based delivery, and its consultant-engineers are subject matter experts who offer both domain expertise and the hands-on execution necessary to deliver business-critical solutions. The acquisition by Globant has enabled Blankfactor to scale its operations and enhance its service offerings, while Globant benefits from Blankfactor's deep expertise in the financial services sector.

The Troutman Pepper team who advised Blankfactor was led by [Brad Resweber](#) and [Brett Hubler](#) and included [Alex Yarbrough](#), Valeria Smith and William Mayo, among others.

Troutman Pepper's Financial Services Group provides comprehensive support to all types of financial services businesses in today's challenging and ever-changing environment. The team includes more than 250 attorneys who regularly advise global, national, regional, and community banks, financial technology companies, payments companies, consumer and commercial lenders, and a wide variety of other financial services businesses on the most crucial aspects of their business, from structuring major transactions to dealing with regulatory scrutiny and litigation.

About Troutman Pepper
