Chambers FinTech rankings are based on thousands of thorough research interviews, all conducted by Chambers’ independent research team. As one respondent noted, “Troutman [Pepper] has had expertise in every question we’ve asked over the last three years. They are our go-to firm.” Another added, “They are able to handle complex matters of significant organizational impact. They have folks spanning many different subject matter expertise and practices such that it can often be a one-stop shop.”

The firm has previously been recognized for its prowess in fintech. In 2021, it was named [FinTech Law Firm of the Year](#) (Middle Market) by *The Deal* in the publication’s annual awards celebrating the leaders in the deal economy. The awards recognize the advisers, professionals, banks, and firms driving the market forward. Troutman Pepper was the first firm to receive the award.

Troutman Pepper’s Financial Services Industry Group offers comprehensive support to all types of financial

services businesses in today's challenging and ever-changing environment. The team includes more than 200 attorneys who regularly advise national, regional, and community banks, financial technology companies, payment processors, consumer and commercial lenders, and a wide variety of other financial services businesses on the most crucial aspects of their business, from structuring major transactions to dealing with regulatory scrutiny and litigation.
