Troutman Pepper Hamilton Sanders LLP announced Tuesday that it has hired a new chief legal talent officer to respond to a competitive market for legal talent.

The firm hired Sona Spencer, who was previously the practice director for the firm’s transactional department, to replace its former talent chief, Maggie Suender.

...

“I look forward to advancing Troutman Pepper’s commitment to attract and retain high-caliber, diverse legal talent,” Spencer said in a statement. “The market is incredibly competitive, which makes our talent team’s work more important than ever. I look forward to leading strategy around recruiting, diversity, and retention efforts.”
