**ATLANTA** – The auto finance industry is navigating a challenging landscape of evolving regulations, technological advancements, and shifting market trends. To help industry professionals stay informed and ahead of these changes, Troutman Pepper is excited to announce the launch of its latest podcast, *Moving the Metal: The Auto Finance Podcast*. Hosted by seasoned Troutman Pepper attorneys [Brooke Conkle](#) and [Chris Capurso](#), the podcast delivers authoritative, insightful, and engaging content tailored specifically to the auto finance sector.

“Auto finance is a dynamic and complex industry, and staying informed is crucial for success,” Conkle said. “Moving the Metal is designed to be a comprehensive resource, offering valuable perspectives and practical advice to help navigate the complexities of this ever-evolving sector.”

Moving the Metal delves into the latest trends, regulatory updates, and key issues impacting auto finance. Each episode features in-depth discussions, providing listeners with easily digestible analyses on a variety of compelling topics, including regulatory developments, compliance strategies, litigation insights, consumer protection issues, market trends and technological innovations.

“We are thrilled to bring this podcast to our audience,” Capurso said. “Our goal is to provide insightful and engaging content that complements our existing webinars, advisories, and blog content, ensuring our listeners have access to the latest information and trends in auto finance.”

Troutman Pepper’s Financial Services Industry Group provides comprehensive support to all types of financial services businesses in today’s challenging and ever-changing environment. The team includes more than 200 attorneys who regularly advise global, national, regional, and community banks, financial technology companies, payments companies, consumer and commercial lenders, and a wide variety of other financial services businesses on the most crucial aspects of their business, from structuring major transactions to dealing with regulatory scrutiny and litigation.

The firm maintains a dedicated Auto Finance Group that specifically focuses on indirect and direct automotive lending, as well as leasing and subscription/rental programs. The group has broad industry experience, combining expertise in compliance, litigation, and regulatory matters and a deep understanding of the auto finance business to offer unparalleled representation to industry participants.

Available on troutman.com, Spotify, Apple Podcasts, and other major podcast platforms, [Moving the Metal](#) provides helpful information and insights anytime, anywhere.
