NEW YORK – Troutman Pepper Locke displayed significant growth in the global and U.S. industry league table rankings released by *LSEG* (formerly *Refinitiv*) and *Bloomberg*, notably establishing a presence in several international industry league tables for the first time while maintaining a strong position in the Americas.

“We are extremely proud of our climb in the Q1 industry league tables, reflecting our growing firm and transactional strength,” said [Mason Bayler](#), chair of Troutman Pepper Locke’s Transactional Department. “This achievement is particularly meaningful as it coincides with our 100-day milestone as a combined firm.”

The firm ranked in 29 league tables in *Bloomberg* and 10 of *LSEG*’s capital markets and M&A league tables. A sampling of the firm’s rankings is included below.

“From the outset, we were confident that the combination of our two firms would significantly enhance our rankings, and it is incredibly gratifying to see that confidence validated. We are excited to build on this momentum and continue driving exceptional growth and success as we move forward,” added [David Ghegan](#), leader of Troutman Pepper Locke’s Corporate Practice.
