**HOUSTON ?** Troutman Pepper Locke advised BPX Production Company (bpX energy), bp's U.S. onshore business operating in the Permian, Eagle Ford, and Haynesville basins, in the execution of long-term commercial agreements with NDB Midstream and WaterBridge Operating (collectively, WaterBridge) to support their long-term development plans in the Stateline region of the Delaware Basin. WaterBridge will initially construct and operate 400MBbls/d of new produced water handling capacity over the next three years, with the ability to increase capacity to 600MBbls/d. The commercial agreements contemplate the greenfield construction of a large diameter gathering and transportation system to safely and efficiently transport water away from bpX energy's development locations in Reeves County, Texas.
