BERWYN – Troutman Pepper Locke advised DataBahn.ai, Inc., creator of a security-native data pipeline platform built for modern enterprise workloads, in raising its \$17 million Series A financing round. For more information, see the [press release](#).

This funding milestone, led by Forgepoint Capital, with participation from S3 Ventures and returning investor GTM Capital, strengthens DataBahn's ability to help enterprises transform telemetry from a cost center into a strategic advantage. The financing brings the company's total capital raised to \$19 million. The initial closing for DataBahn's Series A financing occurred on April 25, 2025.

The Troutman Pepper Locke team that advised DataBahn was led by [Debbie Spranger](#), [Stephen Fox](#), [Roe Granger](#), and [Emily Makar](#).

Troutman Pepper Locke is very active in the emerging company and venture capital communities, advising clients through every stage of their life cycle, from formation through financing and growth, and their eventual merger, acquisition, or IPO exit. For select companies, the firm also offers the unique Troutman SEED™ program. This development program combines the resources of an experienced, multidisciplinary team into an affordable package for startups, early-stage, and fast-growing companies, providing them with comprehensive legal counsel, mentoring, relationship-building opportunities, and more.
