WASHINGTON, D.C. – Troutman Pepper Locke client [Applied Real Intelligence \(A.R.I.\)](#), a leading provider of venture debt and growth credit, recently announced a \$10 million financing facility for Monalee, a high-growth, climate technology company focused on accelerating the adoption of home solar, storage, and EV charging. [Read company press release about the financing.](#)

A.R.I. provides funding to fuel growth, empowering founders to retain control of the companies they've built through customized financing solutions that minimize equity dilution. For investors, A.R.I. provides a safer way to access high-growth opportunities through exclusive deal flow and carefully managed risks in underserved segments of the American innovation economy. The \$10 million financing facility from the A.R.I. Senior Secured Growth Credit Fund will fuel Monalee's growth while minimizing equity dilution for its founders.

The Troutman Pepper Locke team advising A.R.I. in the financing included partner [Chuck Charpentier](#) and associate [Emily Thomas](#).
