NEW YORK – Troutman Pepper Locke's capital markets practice earned top-tier recognition in the H1 2026 *Bloomberg* and *LSEG* league tables. The firm ranked in the top 10 across multiple Canadian equity and equity-linked categories as both issuer and manager adviser, alongside strong placements in global bond and equity tables, reflecting its active role in cross-border capital markets.

"Capital markets activity increasingly crosses borders, and our first half results reflect that reality. In the global equity space, we distinguished ourselves among U.S.-based firms, and our broader placements across global and Canadian categories speak to a team that is active, connected, and trusted by clients globally," said Tom Rose, partner in the firm's Corporate Practice Group.
