NEW YORK – Troutman Pepper Locke’s capital markets attorneys ranked globally for the first time in the *Bloomberg* Global Equity, Equity Linked & Rights – Issuer Ranked by Volume league table category.

The firm’s Canadian practice continues to perform well in the industry league table rankings released by *LSEG* (formerly *Refinitiv*) and *Bloomberg*, notably ranking as the No. 1 U.S.-based firm in *Bloomberg*’s Canada Equity Offerings: Legal Adviser – Issuer Ranked by Deal Count, and Canada Equity, Equity Linked & Preferred: Legal Adviser – Issuer Ranked by Deal Count categories.

“We were thrilled to be ranked globally in *Bloomberg*’s league table for 2024. Further, our Canadian practice has consistently shown its strength, concluding the year with a solid fourth quarter,” said partner [Tom Rose](#). “While our high standing among U.S.-based law firms for capital markets deals is noteworthy, our real achievement lies in the complex matters we navigate and the exceptional work we do for our clients on a daily basis.”
