WASHINGTON – Troutman Pepper is among only 32 law firms to receive a [5-Star Excellence Award](#) from *Insurance Business America (IBA)*. In building its list of top law firms and lawyers catering to the insurance industry, the publication surveyed leading insurance companies and practitioners over 15 weeks. At the end of the research period, winners were selected based on the highest rankings in terms of work quality, specialist expertise, and client service.

“Troutman Pepper is proud to be recognized for our work in the insurance industry,” said Richard Pratt who leads the firm’s nationally recognized Insurance and Reinsurance Practice Group. “Last year’s merger created new synergies that have already benefited our insurance clients and we look forward to benefits still to come.”

Partner [Charles Blair](#) also was recognized among fewer than 50 attorneys across the country as a Five-Star Insurance Lawyer. Blair, who is based out of the firm’s D.C. office, has represented general liability insurers for more than 25 years and has advised clients with respect to a host of complex coverage issues.

“I am honored by the recognition, which feels extra special given the uncertain year,” Blair said. “I look forward to continuing to partner with our clients as they navigate the path ahead.”

Troutman Pepper’s Insurance and Reinsurance Practice Group comprises a talented team of individuals who are widely recognized for representing insurers on some of the toughest matters they face, including complex claims and high-exposure coverage and reinsurance issues. Over the past two decades, the firm has advised clients in sophisticated coverage litigation in all 50 states and in many foreign jurisdictions and has secured landmark rulings in trial and appellate courts across the country that span decades and involve tens of billions of dollars.
