Tuesday, March 19 • 12:00 – 1:00 p.m. ET

Please join us for our final installment of our three-part webinar series covering the complex regulatory landscape for multistate pharmacy operations.

In this session, Troutman Pepper attorneys Robert Gallagher, Kevin Miserez, and Emma Trivax will highlight various compliance requirements and pitfalls impacting pharmacies that operate across state lines. Their discussion will address state-by-state variability and compliance considerations on topics such as licensing and licensure maintenance, controlled substances and drug monitoring, and operational and personnel standards, among others.

This program is approved for MCLE credit for California, Illinois, New Jersey (through reciprocity), New York (newly admitted and experienced), and Pennsylvania. Troutman Pepper will automatically seek credit in the states where we have office locations unless state restrictions apply. Credit for other jurisdictions may be available upon request. For those licensed in California, Illinois, New Jersey, New York, and/or Pennsylvania, certificates will be distributed within 30 business days. If you have any questions about CLE credits, please email

CLEManagement@troutman.com.
