**NEW YORK** – In 2022, Troutman Pepper's Capital Markets Practice completed deals with a total value of over \$20 billion. Transactions spanned across the United States with a notable concentration in Canadian cross-border deals. The firm was the ranked top U.S.-based firm in five categories – notably, clocking in as the top U.S.-based firm in the Canada Equity & Equity-Related Issuer and Manager legal advisors lists. This will be the ninth consecutive year that the firm has ranked in the top two U.S.-based law firms in these practice areas.

"Despite the overall slowing that we saw across the board in 2022 our capital markets practice continued to help clients navigate their most complex transactions as shown by our favorable league table rankings," said Partner Tom Rose. "As we celebrate another solid performance, we look forward to helping clients navigate global markets."
