NEW YORK – Troutman Pepper has achieved top rankings in the latest industry league table rankings released by Bloomberg and LSEG (formerly Refinitiv), notably ranking in the top 20 for global equity deals among all worldwide law firms by volume through Q3.

“Troutman Pepper is thrilled with our performance in the latest league tables, particularly our top 20 ranking for global equity deals,” said Mason Bayler, Chair of Troutman Pepper’s Transactional Department. “These rankings underscore our capabilities and strategic growth in the capital markets sector.”

“Despite the dynamic and often challenging market conditions, Troutman Pepper has continued to excel, as evidenced by our top rankings in multiple categories,” added Matt Greenberg, who leads Troutman Pepper’s Corporate Practice. “Our #1 ranking in US Equity Linked deals by volume is particularly noteworthy. We are proud to be the trusted advisors for our clients in navigating complex capital-raising transactions.”
