**NEW YORK** – Troutman Pepper advised in over 100 capital markets transactions during the first three quarters of 2022 with an overall deal value of over \$17.5 billion. Transactions spanned across the United States with a notable concentration in Canadian cross-border deals. The firm was the top U.S.-based firm ranked in five categories.

“Despite market uncertainties and waning global debt capital markets activity, Troutman Pepper continued to help clients navigate a slew of capital-raising transactions as shown in the first nine months league tables,” said Partner Tom Rose.
