NEW YORK – Troutman Pepper advised in over 40 capital markets transactions in Q3 2021 with overall deal value topping \$6.6 billion. Transactions spanned across the United States with a notable concentration in Canadian cross-border deals.

“As we continue into the fourth quarter of 2021, our capital markets practice remains quite busy, and we expect to have a strong finish for 2021,” said Partner Tom Rose. “While we are proud of our standing in the league tables, we are prouder still of the valuable work we’re doing for our clients.”

For the third straight quarter, the firm’s Canadian Practice Group landed in the No. 1 spot in the issuer legal advisor category for Canada equity and equity-related deals. The firm also ranked in the top 10 for its role as manager legal advisor in Canada equity and equity-related deals, where the firm again was the top ranked U.S.-based firm. Rankings:
