Troutman Pepper attorneys Dan Anziska, Ryan Last, and Charlene Goldfield were quoted in the January 26, 2026 *Nikkei Asia* article, "Trump National Security Tariffs Threaten $621BN in Trade With Asia."

Trade lawyers from Troutman Pepper Locke said American consumers are the biggest victims. "These sectoral wood tariffs could affect an entire ecosystem of construction-essential items that trickle down into the housing and remodeling markets," according to the firm's Charlene Goldfield, Ryan Last and Daniel Anziska.
