Troutman Pepper Locke is proud to support The Tuck School of Business' 21st Annual Private Equity and Venture Capital Conference: Beyond the Multiple: Creating Value Through Real Impact.

Each February, the Tuck School of Business Center for Private Equity and Venture Capital, in partnership with the Tuck Private Equity and Venture Capital Club, hosts the Tuck Private Equity and Venture Capital Conference. For over two decades, this conference has brought together alumni, students, faculty, staff, and industry professionals in Hanover to discuss emerging issues, share insights, and foster meaningful connections within the private equity and venture capital communities.

This year's theme, Beyond the Multiple, promises an exploration into the latest trends, innovations, and visionary leaders shaping the future of private equity and venture capital. Join us as we celebrate 21 years of impactful discussions and look ahead to what's next in the industry.
