Locke Lord is a proud sponsor of the Tulane University Law School Biennial Bankruptcy and Restructuring Symposium taking place in New Orleans, LA on February 3, 2023.

This program will bring together a dynamic group of speakers to discuss topics including:

- The “New” Chapter 11: In the wake of ex ante agreements, pre-filing arrangements, and side deals, has chapter 11 become just another form of M&A work?
- The Usefulness of “Old” Chapter 11: Are there areas where old-fashioned collective action is still at the core of chapter 11 and should those cases be treated differently?
- A Way Forward: Can non-bankruptcy legal changes or innovative interpretations of the Bankruptcy Code make chapter 11 more relevant or provide more equity in the results?
- Venue & Competition (Domestic & International): How do they affect case results, judge recruitment, and meaningful creditor participation?
