[Daniel N. Anziska](#), a partner in Troutman Pepper Locke's [Energy](#) Industry Group, was quoted in the September 18, 2026, *Law360* article, "[USDA Disclosure Rule Could Snag Energy Project Deals](#)."

"This covers essentially everything but a very short-term lease," said Troutman Pepper Locke LLP partner Dan Anziska, who works on foreign investment and trade issues for renewable energy and other industries. "It's not just ownership — it's also really control of a project."

...

Anziska of Troutman said project developers could be more cautious as well.

"Will there be a little more scrutiny on minority participants and funds or other structures who may catch you in AFIDA jurisdiction?" Anziska said. "So then ... do you want a guy at 8% [ownership] instead of 12% ownership?"
