# Valuing Real Estate Assets in Distress: Ethical Considerations

## RELATED PROFESSIONALS

[Mark A. Silverman](#)

---

Mark Silverman, a partner in Troutman Pepper Locke's Bankruptcy + Restructuring Practice Group, was quoted in the February 11, 2026 *DailyDAC* article, "[Valuing Real Estate Assets in Distress: Ethical Considerations](#)." The article was republished in [The National Law Review](#).

"Legal ethics are very much about doing the right thing when no one is watching. Changing, massaging, and otherwise making things more difficult for yourself is not going to benefit anyone in the long run," advises [Mark Silverman](#) of [Troutman Pepper Locke](#).
