Stephen Piepgrass, a partner with Troutman Pepper, was quoted in the April 13, 2023 *National Law Journal* article, "[Warranty Claims Spike, Target Tesla After FTC Action.](#)"

Stephen Piepgrass, a partner at Troutman Pepper and leader of the firm's Regulatory Investigations, Strategy + Enforcement, or RISE group, said it was a common path.

"Plaintiffs attorneys watch what the regulators are doing and, to the extent they think claims may be cognizable, they will bring them and use the FTC action as a model," he said.

...

Piepgrass, meanwhile, said he's already telling clients to try and get ahead of these fights.

"This is very much a trend and we're expecting to see more of it," he said. "Especially when it comes to Magnuson-Moss claims."
