Western Illinois University College of Arts and Sciences: The Value of a Liberal Arts Education in 2024

RELATED PROFESSIONALS

Kirk W. Dillard

Kirk Dillard will present on “The Value of a Liberal Arts Education in 2024” as part of Western Illinois University College of Arts and Sciences lecture series on Thursday, April 9 at 7:00pm.

Kirk will dive into perceptions of the value of a liberal arts education and why it continues to benefit contemporary college students as they begin and proceed through their professional lives.
