Why It Matters

The Biden administration will have a much different agenda than the Trump administration had toward the financial services industry. This article, which appears in the Winter 2021 issue of *Delaware Banker* magazine and was authored by Troutman Pepper attorneys Rick Eckman and Paige Fitzgerald, examines some of the key issues that will likely change as a result of new leadership in the prudential regulatory agencies and the CFPB.

Richard Eckman, senior counsel in Troutman Pepper's Financial Services Practice Group, and Paige Fitzgerald, counsel in Troutman Pepper's Consumer Financial Services Practice Group, were published in the Winter 2021 issue of *Delaware Banker* for their article, "[What Banking and the Financial Services Industry Can Expect from the Biden Administration.](#)"
