Troutman Pepper Partner Jay Dubow is quoted in the *Reuters* article, "[Wide-Ranging Solarwinds Probe Sparks Fear in Corporate America](#)."

Former SEC official Jay Dubow said the SEC's approach could be less about the SEC being aggressive and more about trying to understand the impacts of the SolarWinds incident.

"The SEC was faced with a situation where you have SolarWinds and so many of their clients were public companies and other government agencies. What is the most efficient way for the SEC to try to figure out the extent of all this?" Dubow, an attorney at Troutman Pepper, said.
