William & Mary Law School The Future of Energy Conference

W&M Alumni House - Hunter Hall
500 Richmond Road
Williamsburg, VA 23185

SPEAKERS

[Christopher R. Jones](#)

Troutman Pepper Locke partner, Chris Jones, will speak on the panel “Representing the Future of Energy before the SCC and the FERC” during a CLE program at the Future of Energy Conference on Thursday, May 21, at 2:10 p.m. ET.

Hosted by William & Mary Law School, the inaugural Future of Energy Conference will convene energy leaders, policymakers, and practitioners in Williamsburg for a timely discussion of the forces shaping the next era of energy policy, markets, and infrastructure.
