Winds of Policy Change

SPEAKERS

[Josh Kaplowitz](#)

On episode 124 of the *Squeaky Clean Energy Podcast*, host Matt Abele speaks with Josh Kaplowitz, a lawyer at Troutman Pepper Locke focusing on regulatory, policy, contractual, and litigation matters related to offshore wind and renewable energy. They discussed recent wind energy federal executive actions, what impacts they have on current projects under development, and what's likely to shake out as time goes on for this resource that's integral to meeting future load growth in the electricity sector.
