---

In this episode of *The Consumer Finance Podcast*, Chris Willis is joined by veteran litigators and Troutman Pepper Locke Partners Mary Zinsner and Heryka Knoespel to dissect a groundbreaking Fourth Circuit decision on bank liability in wire transfer fraud cases. The ruling clarifies the actual knowledge standard under the Uniform Commercial Code, rejecting negligence-based liability and safeguarding the speed and efficiency of the banking system. Discover how this decision impacts future litigation and the banking industry's approach to fraud prevention.
