ATLANTA – Troutman Pepper Locke and nine attorneys have been recognized among the world's leading national and international trademark practitioners in *World Trademark Review's* 2026 edition of the WTR 1000. The *World's Leading Trademark Professionals* is a guide that identifies top trademark practitioners in key jurisdictions around the globe and has established itself as a go-to resource for those seeking sophisticated legal trademark counsel.

To arrive at the results, *World Trademark Review* undertook a qualitative research project to identify the firms and individuals that are deemed outstanding in this area of practice. Individuals qualify for inclusion in the WTR 1000 upon receiving sufficient positive feedback from market sources with knowledge of their practice and the market in which they operate. Law firms qualify for a listing on the basis of their depth of experience, market presence, and the level of work on which they are typically instructed.

According to the review, "Troutman Pepper Locke puts client success at the centre. The team's problem-solving mindset and ability to harmonise legal precision with commercial priorities make Troutman a trusted partner in every phase of business growth."
