You’re Not in Kansas Anymore, Tarheels: Navigating the Complex Landscape of Privacy Law

Join us for an insightful discussion on the evolving landscape of privacy law. Our experts will delve into the latest regulatory developments, compliance challenges, and best practices for safeguarding personal data. Attendees will gain valuable insights into the implications of existing law, such as the GDPR and CCPA, as well as recent legislation, and explore strategies for mitigating risks in an increasingly data-driven world. As in-house counsel, this presentation will equip you with the knowledge to navigate the complexities of privacy law effectively.
