**OVERVIEW**

Aileen brings a wealth of experience in regulatory and licensing compliance, particularly in the financial services sector, as well as in the regulatory framework of data protection, privacy, and cybersecurity laws. She advises clients on compliance obligations in mortgage lending, loan servicing, debt collection, and consumer loans, and provides counsel on a broad range of privacy compliance and transactional matters, including privacy disclosures, data breach response, vendor management, and information governance strategies.

Aileen works with clients to build and enhance privacy programs, respond to regulatory inquiries, and provides compliance strategies and advice to companies relating to product development, marketing, and artificial intelligence. Her experience also extends to advising on borrower disclosures for consumer credit programs and the development of telemarketing campaigns via text message, SMS, and email. Additionally, Aileen has drafted regulatory procedures and policies in compliance with RESPA/Regulation X, and advised financial services clients on website compliance with the Gramm-Leach-Bliley Act, the California Consumer Privacy Act, and the EU General Data Protection Regulation. She has worked closely with state regulators to obtain approvals, licenses, and regulatory guidance.
