OVERVIEW

Andrew represents clients in corporate and finance matters, focusing on industries such as finance and financial services, as well as securitization and structured finance. He assists clients, including small business investment companies, with a variety of corporate and transactional needs.

REPRESENTATIVE MATTERS

- Assisted in the representation of affiliates of Trent Capital Partners in the acquisition of Microporous, a leading manufacturer of high-performance battery separators for lead-acid batteries, and the related debt and equity financing for the acquisition.
- Assisted in the representation of Lime Rock New Energy, a growth equity investor in companies accelerating the energy transition, in its acquisition of a controlling interest in Power TakeOff, a software-enabled energy efficiency services company.
- Assisted in the representation of Hastings Equity Partners, a preferred capital partner to founders of lower middle-market businesses, in its Fund IV portfolio company's acquisition of Clear Path Utility Solutions, a leading provider of expert consulting services to gas and electric utilities.
