Andrew Medeiros

Managing Director of Innovation

Philadelphia

andrew.medeiros@troutman.com

D 215.981.4666

Andrew has experience managing a team of J.D. technologists, creatively designing technology and process solutions to meet clients' legal and business needs.

OVERVIEW

As a trained attorney and certified Lean Six Sigma Black Belt, Andrew marries expertise in process improvement, technology, and legal to focus on simple yet powerful solutions that help the firm's attorneys more easily and more efficiently deliver quality legal services.

Andrew is dedicated to finding new ways of using technology to practice better. He wields a unique set of skills, honed during a career in online journalism and through a variety of legal roles with startup companies, government agencies, and legal aid organizations. This legal and technical background allows Andrew to excel as a technologist, consultant, and problem-solver.
