## OVERVIEW

Ashley advises clients in environmental due diligence for real estate transactions and regularly negotiates on behalf of property owners in eminent domain matters. She also assists clients in a wide variety of environmental compliance and regulatory matters, including matters arising under CERCLA, RCRA, the Clean Water Act, and similar state and local regulatory schemes. Ashley's experience includes transactions involving hazardous substances and wastes, underground storage tanks (USTs), state hazardous waste and petroleum cleanup programs, cleanup actions, and Brownfields and Voluntary Cleanup Programs across the United States. Her experience also includes counseling clients on environmental and regulatory permitting, including obtaining permits and building compliance programs for large-scale, national programs.

In her pro bono work, Ashley has assisted veterans with estate planning and helped families facing deportation gain asylum.
