OVERVIEW

Audra advises clients on real estate transactions and development matters, bringing a business-focused approach informed by her experience in management consulting and applied economic analysis to help clients navigate complex deals and structure transactions that align with their business objectives.

Before joining the firm, Audra worked as a consultant at a global management consulting firm, where she helped lead cost and strategy workstreams for *Fortune* 500 clients, and as an economist at an independent research institute, where she helped manage large-scale projects.
