Breanne M. Osborne

Practice Director

Atlanta

breanne.osborne@troutman.com

D 404.885.3160

Breanne focuses on advancing the firm's strategic initiatives by collaborating with talent throughout the firm.

OVERVIEW

Breanne serves as a practice director for the specialized litigation department. With more than a decade of management and administrative experience in the legal industry, she focuses on process improvements and meaningful growth of the firm's specialized litigation practices, in collaboration with the talented administrative departments throughout the firm. She leads a team of practice management professionals who work to support firm leadership in tackling strategic initiatives, solving complex business challenges, and leading meaningful change.

Prior to serving as the firm's practice director, Breanne was the firm's senior IP operations manager for several years. Her previous experience also includes practice management roles at other leading law firms, including an *AmLaw* 100 law firm.
