### OVERVIEW

Brenda works with the commercial real estate transaction team supporting attorneys with contract review, preparation of critical date and closing checklists, and extensive title and survey review, along with overseeing title clean-up and survey revisions as well as assisting with closing packages for all different real estate-based transactions, including the preparation of closing escrow letters, signature packages, and final arrangements in the closing of the transaction.

Brenda has extensive experience in bringing any type of transaction “over the finish line,” plus post-closing follow up of recorded documentation, title policies, and closing binders as needed. She also assists probate/estate with research, preparation of title documents, including Deeds of Assent, Trustee Deeds, and any other title document needed, including the recording and tracking of the executed title documents.
