Partner

Austin

brian.oreilly@troutman.com

D 512.305.4853

OVERVIEW

Brian practices in transportation, administrative, and public law, focusing on the development of major infrastructure projects by public and private entities. He advises clients on procurement matters and legal issues related to the planning, construction, financing, and operation of infrastructure projects.

Brian is experienced in general counsel representation of government agencies, legislative strategy, drafting and negotiating interlocal and interagency agreements, acquisition of right-of-way, and regulatory compliance. This includes advising on issues related to open meetings and open records and ethics.
