OVERVIEW

Casey advises clients on technology-related matters, including software as a service, licensing, data privacy and security, as well as outsourcing deals. She is also an experienced corporate generalist who has handled general corporate affairs, governance, and compliance. Casey has handled a range of data privacy compliance matters involving regulations and laws such as the General Data Privacy Regulations 2016/679 (EU) and the California Consumer Privacy Act (CCPA). Experienced across a wide range of industry sectors, she frequently handles matters in health care, energy, technology, retail, and finance.

Clients benefit from Casey's in-house experience for a *Fortune* 200 electrical distributor, where she regularly reviewed, drafted, and negotiated a variety of commercial sales contracts, reseller and distributor agreements, and service provider agreements. She also worked closely with the company's innovation office in connection with its partnerships with startup technology firms. Casey's responsibilities involved consistent interaction with the company's industrial suppliers and customers.
