Christopher Bowler

Director of Information Security

Atlanta

chris.bowler@troutman.com

D 404.885.3192

OVERVIEW

As director of information security, Christopher leads the firm’s information security strategy, governance, and risk management initiatives in support of a large, complex legal services environment. He is responsible for aligning security controls with business objectives, regulatory expectations, and client assurance requirements, while protecting client data and firm systems across cloud and on?premises platforms.
